**...the official newsletter of the
Tri-State Model Railroaders, Inc.**

NEXT MONTHLY MEETING: Monday, April 5, 2021 On Line thru Webex, 7:00 p.m.

We will hold our meeting with the regular format, but please be as concise as possible so that we may keep the meeting as short as possible and yet cover everything we need. I will send out a meeting format prior to the meeting.

NEXT OPERATING SESSION: April 10th, 2021 at 12:45pm Members only. Come join us as we need Engineers and Trainman .We are incorporating the upper level in our trains now so we have lots of trains to run.

NEXT PUBLIC OPEN HOUSE: April 23th 2021 from 10am to 1pm

WORK SESSIONS: Testing will be complete on the helix this month and we will start to close up the mountain. The upper level continues with the Southern half of the Etowah yard complete and the Northern part under construction. We hope to have it up by the OPS this coming Sat. That only leaves one section to be built and that is the short section with the roundtable installed. We still have a lot of work to do with scenery and some construction. We are working on Wednesday s from 9 until and Saturdays from 9 until. Please come and join us for some good fellowship and train stuff. If you just want to talk, come on! Auction is still going until the 15th of April. Get your bids in!

AMAZON SMILE: When making a purchase – When ordering from Amazon, don't forget to use Amazon Smile instead and make TSMRI the charity you wish to donate to. Simply log into <http://smile.amazon.com> and make Tri-State Model Railroaders Inc. your charity.

OPEN HOUSE RESULTS: This open house did not see any attendees as we did not get our advertising out in time. We are still trying to get back in the operation mode from all the shut down time.

Birthdays for April; David Christjansen, David Reese

If you have any questions, please do not hesitate to call me for meeting information or Phil for Webex info.

Thanks and stay safe.
