## OPS Schedule change for March

The March OPS schedule is being changed. The reason is that the Piedmont Spring Show is on the same weekend as our OPS and most of the OPS regulars are going to the show in Cartersville, GA for their own enjoyment and also to support the Piedmont Division.

We are also adding a Mid-week OPS as we have had some members that cannot make it on the weekend because of family, etc. This opens an OPS for some folks that are busy on most weekends and being retired, free during the week. The March OPS will be March 19<sup>th</sup> and 23<sup>rd</sup>, 2022. Crew call for both OS is the same, 12:30. This seems to be working well as it has allowed the engineers to pick up paper work, check their load, secure a locomotive, and still be ready for the pull times.

April, we will return to our second Saturday of the month OPS followed by a Mid-week OPS on the following Wednesday.

Thanks for your understanding and support for this change this month.
