Birthdays for May; Greg Altman, Fred Faist

Piedmont Train Show: The Piedmont Train Show is Friday March 9th and Saturday March 10th. We have a booth and will have to do a setup on Friday. The object of the sale is to raise funds for the club and at the same time clean out the boxcar of stuff we have had for several years. Also, we all have train gear that we have been keeping for a rainy day or, "I might need that some day". This is a great time to go through your train gear and clean out those items you don't need and it will help you straighten out your train room and help the club too. (Maybe get on the good side of you wife or significant other also).Please bring the gear to the depot as soon as possible so that we can look through it, price it and get it ready for the sale. Also please try to keep that weekend open so that you can help man the booth. If you have a particular day you would like to work, please let me know (jrlong@etcmil.com) so as I set up the work schedule, I can put you in where you want. This is a great time to help the club and help yourself at the same time!

**If you have any questions, please do not hesitate to call me for meeting information or Phil for Webex info.
Thanks and stay safe.
